HAWAII IS HERE!

A promotional image for Ice cube tequila. The central focus is a bar counter made of large, rectangular blocks of clear ice. The word "ORO" is printed in a bold, black, serif font on the leftmost ice block. Behind the bar, a thick layer of white smoke or fog fills the lower half of the frame. On top of the bar, there are several items: two dark-colored shot glasses, a small bottle of tequila with a label featuring a sombrero, and two long, thin objects that look like rolled-up napkins or straws. Above the bar, a large, illuminated sculpture of a pair of wings, possibly an angel's, is suspended. The wings are made of a translucent material and are covered with numerous small, bright blue LED lights. The background is dark, and several beams of light from spotlights illuminate the scene from above, creating a dramatic and festive atmosphere. The overall color palette is dominated by the cool blues and whites of the ice and lights, contrasted with the warm yellows of the spotlights.

A close-up photograph of a wooden bar. The bar is made of dark-stained wooden planks arranged in a radial pattern. A gold-colored logo, featuring a stylized leaf or flame above the word 'VIGOR' in a serif font, is mounted on the upper right. A small, square gold emblem is also visible on the left side of the bar. The background is blurred, showing some foliage.

A wooden sign with the word "TONY" in large, light-colored, sans-serif capital letters is mounted on a dark blue or black wall. Above the sign is a long, light-colored wooden planter box filled with various green herbs and small purple flowers. The scene is set outdoors, with green foliage visible in the background. The overall aesthetic is rustic and modern.
